

JON AND ELISE FLETCHER

Making our home in the Klong Toey slum
Bangkok, Thailand, since 2014.
Serving Jesus in 'the least of these'.

THE PROBLEM:

OUR VISION AND MISSION:

OUR PARTERSHIP TEAM:

THERE IS HOPE

URBAN POVERTY

- People are robbed of their freedom to live as God intends and their identity as God's valued children.
- Family chaos leads to neglect of the most vulnerable.
- Health inequality, unjust systems, inadequate housing - surviving not thriving.

1 in 7 HUMAN BEINGS LIVE IN A SLUM

Urban Neighbours of Hope teams move in to neighbourhoods facing urban poverty and seek transformation from the bottom up.

We ask the questions 'how can we be good neighbours in this place?' 'Where can we join God at work?'

- Sharing the place.
- Naming God's image in all and valuing each person.
- Social enterprise.
- Responding to family crisis.
- Family strengthening.
- Campaigning against injustice.

We are looking for new partners who are willing to journey together with us in our next season of mission in Bangkok. Our partnership team is essential for:

FINANCIAL SUPPORT

PRAYER SUPPORT

ENCOURAGEMENT

Our prayer is that engaging with the stories and issues encountered at 'the edges' will be transformative for all of us.

"He will wipe every tear from their eyes... He who was seated on the throne said, "I am making everything new!"

Revelation 21: 4-5

MOVE IN.
BE A GOOD
NEIGHBOUR.
