Partnering with God in the flourishing of our communities

## Life Group Material

***This way and watch  
out!***

***w/b 20<sup>th</sup> July 2025***

*(Feel free to choose questions as appropriate for your group)*

### **Starter:**

1. *Warnings are useful! Have you ever received a warning about something that really helped you (e.g., warning light on car dashboard)? Share with the group.*

### **Read Matthew 7:13-20**

1. *What strikes you/ jumps out at you from these verses? What is the 'good news' here?*
2. *v13-14 What do you think Jesus is communicating through this punchy parable?*
3. *What does it mean to live intentionally, rather than on autopilot and how does this relate to v13-14?*
4. *Look at John 10:9. What light might this verse shed on Matthew 7:13-14?*
5. *Verses 15-20. Who do you think are the 'false prophets' Jesus had in mind? How might we recognise a 'false prophet' today?*

6. *In what way is this warning timely? (For example, re the unlimited resources we can access online)*
  
7. *Why is Jesus more interested in character over charisma? What are some examples of the good fruit Jesus encourages us to look out for?*
  
8. *How can we be discerning in who we listen to and who we allow to shape our faith today?*
  
9. *Personal reflection: warnings are useful! What is the gift for you in this passage today to take away? Share together as appropriate.*

*The final questions in this teaching series will be available next week.*

*During the month of August, there won't be set life group materials  
(to allow for breaks and social time).*

*Materials will resume for the new series in September :)*
