I sincerely give thanks for your support in sponsoring my theological studies, which has made my academic journey possible.

At present, I am progressing well in my studies, diligently learning the Bible, leadership, and the foundations of ministry.

These studies have greatly shaped me through lectures, seminars, and active engagement within the community.

After graduation, I plan to use the knowledge I have gained to serve the church and support the wider community.

My commitment is to teach, nurture spiritual growth, and contribute to the development of strong moral values.
