

News from Ben & Katy in Tanzania

Greetings from Tanzania! It's been a big week. Yesterday, we said goodbye to Malcolm who has been volunteering at SAFI for 6 weeks, helping Jema with our accounting systems - note people doing his sign name in the photo! Last Sunday, our Usa River Fellowship baptised five members including our very own Alessia (10) and Zaki (12), both had told us they were ready, for which we praise God! 🙌 And we said goodbye to Katy's parents with whom we've been chasing butterflies over the school Easter holidays. 🦋 We do have some prayer requests: 🙏 for our little flat in Bath to get some paying tenants soon - we're quite dependent on this financially. 🙏 for our move into our own much smaller house next month here and for the means to make it suitable for five of us. 🙏 for Ben's trip to visit CMS link churches from the end of May. 🙏 for SAFI not to be too badly affected by global travel uncertainties. 🙏 for continued growth of our fellowship here.

Thank you! X

Ben & Katy
